## Letter of Commitment – Template

To be submitted electronically with the proposal via [www.submission-icrad.eu](http://www.submission-icrad.eu)

This template may be used **for applicants participating in research proposals who are not eligible for funding or choose not to receive funding (e.g. from a country not participating in the call), so called “associated partners”**, in order to provide evidence of their commitment. Grey-marked fields must be duly completed. Organisations are allowed to use their own templates, however the content of the letter as described hereunder should be regarded as the minimum requirement. An authorized representative of the organisation must sign this document.

In case of failure in providing such commitment, an applicant will be regarded as ineligible, jeopardizing the whole research consortium.
